

# Creative Explorations

An educational program for you & your 15 to 26 month-old.

**C**reative Explorations is Paddington Station's alternative to the traditional Mom/Tot program. Tots can be accompanied by any one of a number of people—Moms, Dads, Aunts, Uncles, Nannies or friends. This is an educationally based interactive program for children 15 to 26 months. Adults will teach alongside a Paddington teacher who will facilitate the learning process.

Children will explore art, music and sensory activities. Their social, emotional, cognitive, physical and creative development will be enriched.

Adults will be provided with a supportive, nurturing, educational environment. You will be given an opportunity to discuss your child's growth and development, as well as to share the joys and hurdles of raising a toddler.

## Enrollment

Based on first-come basis, applications will be dated upon receipt. There is a minimum enrollment needed to hold each class.

## Forms

You will receive a contract by mail; your spot will be confirmed when you return the signed contract with a deposit.
